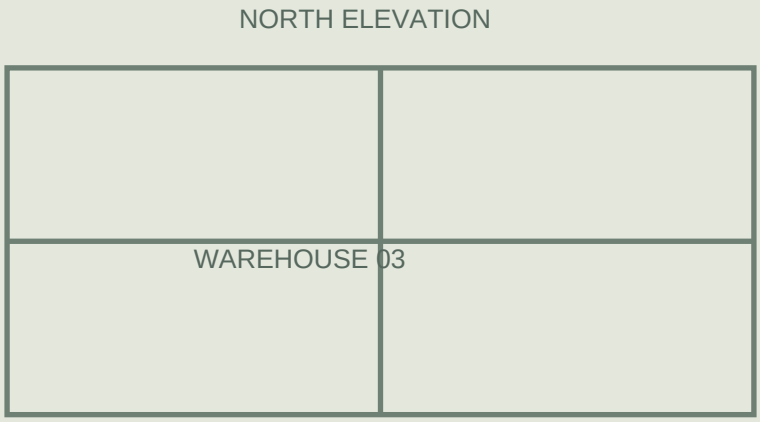
Building survey

Old Port Warehouse / Report 03 / 2026.09.28



NORTH ACCESS: UNAVAILABLE

01 / Access and circulation

North access is currently unavailable.

Deliveries and visitors use the east entrance.

Scope: preliminary site survey; use to be confirmed.

Site observations

Old Port Warehouse / Report 03 / 2026.09.28

OPEN QUESTION

Does "access" refer to vehicles or pedestrians?

02 / Questions for the next survey

The north side faces a small residential street.

The east side is used by delivery vehicles.

Verify current pedestrian use with the building manager.

Separate historical accounts from present conditions.
